MAYOR ACCEPTS RESIGNATION

LAS VEGAS, NM – Over the weekend, Las Vegas City Mayor, Tony E. Marquez, Jr., accepted the resignation letter of Dr. Sharon Caballero. On Friday, Caballero emailed her letter of resignation to the city elected officials effective immediately.

She served as City Manager from the beginning of July to the middle of December. Mayor Marquez called Caballero a "hard working individual with many great ideas, who has a passion for our community. Marquez also stated, "we wish her well in future endeavors and we thank her for her accomplishments."

Mayor Marquez will continue to move Las Vegas forward as the city searches for a new city manager.
