MAYOR'S WAR OF GRAFFITI UPDATE

LAS VEGAS, NM – Las Vegas Mayor Tony E. Marquez Jr. and the Las Vegas City Council recently approved an amendment to the City of Las Vegas Criminal Code pertaining to graffiti. The amendment to City's Ordinance No. 83-11 was unanimously approved with only a provision during last week's meeting.

“Unfortunately, there was an oversight to the procedures that need to be followed for city ordinances,” Marquez said. “Please accept my sincere apologies for this oversight. I have established internal measures to ensure that all procedures are followed in the future.”

During the November 19, 2008, the ordinance will be presented to city council to rescind the previous action and for approval to publish the ordinance.

“The amendment will serve as a proactive, educational, cleanup and prevention initiative to beautify Las Vegas,” Marquez said. “This initiative is part of my commitment to clean up and beautify Las Vegas.”
