

**City of Las Vegas Waste Water Department
Requirement for Service/Schedule of Fees**

1. Obtain permit from Community Development (1700 North Grand Avenue). Once Permit is obtained customer must obtain signature from Utility Center (905 12th Street).
2. Customer must then obtain a sewer tap permit prior to sewer connection. The permit can be purchased by a Licensed Plumber at 905 12th Street. A Street Cut permit must also be obtained from the Street Division located at 1700 North Grand Ave.
3. After Plumber has connected sewer line to main, they must leave pit open and inform the Waste Water Supervisor for inspection of Sewer Tap.
